DESIRABLE LOCATION

One-of-a-kind Bucci custom-built bungalow on one of Headon Forest's most desirable streets.

This well-designed home features two main floor bedrooms, a spacious bathroom with an accessible shower, and hardwood flooring throughout the main level. The inviting living room offers a cozy gas fireplace, while the large dining room is perfect for entertaining. The kitchen is complete with stainless steel appliances, and a separate family room provides additional space for gatherings. Convenient main floor laundry is located just off the garage.

The second level offers two generously sized bedrooms with ensuite privileges and a 4-piece bathroom.

The finished basement includes a rec room, along with approximately 1,000 sq ft of unfinished space—ideal for an in-law suite, storage, or a teenage retreat.
